Here's What You Should Know Before Shopping for Art at Estate Sales, According to Experts

A little bit of prep work can go a long way in bringing home the perfect pieces to adorn your walls.

The team at Oxford Design Studio says that European Old Master paintings are great items to look out for when shopping estate sales, as well as antique stores and auction houses. She says they not only elevate any space but will mix well with more contemporary photography or works on paper you already have on the walls.
