### 5 ways to decorate with Snowbound – Sherwin-Williams' endlessly versatile cool white paint

Designers weigh in on this universally flattering white paint

#### 3. CREATE A LIGHT AND BREEZY KITCHEN

Since Snowbound is such an all-rounder, it can also work well for kitchens. [White kitchen ideas](#) are one of the most classic choices, and Snowbound can be the perfect paint to capture the simplicity of white while avoiding a clinical look.

Designers at [Oxford Design Studio](#) used Snowbound across the [kitchen cabinets](#) in the [modern kitchen](#) pictured above.

Jordan Winston and Tate Casper, principals at the Florida-based design studio weigh in on this [kitchen color idea](#): 'Snowbound is a universally flattering shade of white. Its versatility makes it the perfect choice for interior trim and millwork.'
