## The C&G List as Seen in the Hamptons Design Guide 2024

World-renowned architects, interior designers, landscape designers, builders, and artisans.

April 30, 2024 by The Editors of HC&G

The work of world-renowned architects, interior designers, landscape designers, builders, and artisans is on display everywhere you look in the Hamptons. *HC&G* is proud to bring their projects to life within our pages (and online). We've rounded up all of the industry professionals (including **Innovation in Design Award** winners and finalists) published in the past year.

This project by BMA Architects was a runner-up at the 2023 IDAs. Photograph by Michael Stavaridis
